Blair,
Heather was not invited to meeting yesterday…so was not in the discussion about resources. When I was talking to her today…she mentioned she is already short staff and having issues keeping up with work load, ie Convoy OT, unpaid leave of absences for non vaccinated and new sick note policy to name a few things.
Should Heather be putting a request into Michelle as well? She actually has someone in mind for a temporary opportunity who has SAP data entry experience but as of last week, her section would not release her. Thinking this is more of an HR issue but not sure how to address it. In anycase, Heather does require some help so would like your permission to send the email below to her and have her put her request in writing to add to the list.
Thanks
Kathy Murray

MO called Chair Deans office this am advising that we need to send a letter of request for staffing to our federal/provincial counterparts prior to sending a letter to sol gen/public safety minister.
Has this occurred yet?
If yes, can we bundle them ALL and send over to Chair and Mayor?
If not, Kevin and Michelle are on this email and can assist in drafting/organizing.
John
